Defends the Name

"THE SALE OF SATISFIED BUYERS."

At the close of the auction sale of purebred Scotch Shorthorns to be held at Abingdon, Illinois, on Friday, March 22d, the thirty-fourth sale under this same management will have been completed. When this sale was established thirteen years ago this March, we gave it the name **"The Sale of Satisfied Buyers."** We had no right to this name at the time because proof that buyers were going to be satisfied was somewhat lacking.

We have come a long way since the day of our modest beginning and, with convincing figures to back up our claims, we are more proud than ever of the name **"The Sale of Satisfied Buyers."** Through the 33 auctions held during the twelve year period, we have sold approximately 2,000 purebred Shorthorns for the staggering total of \$425,000. We are proud indeed of the record. The consignors display their confidence by bringing more and better cattle to each sale. The confidence of buyers is displayed through the continued patronage of old customers and an ever-widening circle of new customers.

No business enterprise can reach complete success except under conditions where each transaction results in a profit for BOTH SELLER and BUYER. And no business can prosper unless the benefits are obvious in the section where it is conducted. The enviable reputation enjoyed by Abingdon Shorthorn Sales may be attributed very largely to the fact that a loyal group of consignors have supplied honest, healthy, well bred cattle and they have been happy to sell them at prices that left buyers a liberal margin for profit. That these annual sales have benefited the area in which they have been held is indicated by the fact that the general quality of cattle on the farms of Western Illinois is better now than ever before.

More than \$425,000! This convincing amount of money now defends the name **"The Sale of Satisfied Buyers!"** We believe the cattle to be offered on March 22d will add further prestige to the name. We invite you to study this catalog and we repeat again, **"You can buy with confidence at Abingdon."**

There will be plenty of mature cows with calves, plenty of bred heifers and plenty of open heifers that are good enough to win back their purchase price in the show ring. Those who study the catalog will immediately recognize that this entire offering contains the richest possible Scotch bloodlines as well as the get of the most famous sires of the day. As in all former Abingdon sales, pedigrees and health certificates will be provided promptly and everything possible will be done to safeguard the name of "**The Sale of Satisfied Buyers.**" Plan now to attend this sale at Abingdon, Illinois on March 22d.

Browndale Bud 2d—This cow is a very good producer having been a member of the Ralph Ainsworth herd where she produced some of his top cattle. She sells with an outstanding 6-months old red heifer calf at foot. Note that she is out of a direct daughter of the International grand champion, Loyal Browndale.

This picture was taken at Marellbar Farms. A strong consignment from this noted herd is being offered in the sale at Abingdon, Illinois, on March 22.

Abingdon is convenient to reach for all buyers. It is on the Kansas City branch of the C. B. & Q. Railroad. It is located 12 miles south of Galesburg which is on the main line of the C. B. & Q. and Santa Fe Railroads. Frequent busses run from Galesburg to Abingdon but please remember that we will be glad to meet trains in Galesburg if advance notice is given.

It is easy to ship cattle from Abingdon by rail or truck to any point in the country. Plenty of truckers are available for long distance hauls in any direction.

The Abingdon Sale . . .

Where the Scotch bloodlines are of the best.

Where the individuals are of top quality and in splendid condition, though without the pampering that often hinders future usefulness.

Where pedigrees and health certificates are delivered promptly.

Where each consignment is backed by a reliable breeder.

Where the sale management functions on the theory that "If buyers secure courteous treatment and profitable cattle, sellers are always going to find a most satisfactory market."
